August 2016

## Manager and editors note

I was disappointed in the number of community members that attended our Kariong Community Matters Forum on July 20th.

This event came about through consultations and conversations with the community. It became evident that many people don't feel safe because of youth on the streets at night and violent behaviours. I invited representatives from the Police Service, Domestic Violence Workers, Youth workers, Youth Mental Health, Free Legal Services and Drug and Alcohol Services as well as a youth representative, to discuss with the Community, strategies on how we can work together to create a safer more connected Community.

I would really like to know how I can engage with YOU and meet your needs and strengthen connections.

I am not sure if you are aware of what your Neighbourhood Centre does.

We are here to provide opportunities for you to become a stronger connected community. Every month we create new opportunities for you to be involved and learn new skills. On average we have 2500 people each month utilising our groups, workshops and events, we are not just a Before and After school care Centre. We would like to invite you to ring or email us about what events you would like in the future. Fiona Phone: 43401724 admin@knc.net.au.

## OOSH UPDATE

Our Vacation Care Program offered everybody fantastic experiences with visits to Inflatable World, Lazerblast, Intensity and also a dining experience with 70 children at the Dragons Door at Erina Fair where we were so proud to have our service represented so beautifully by this group of children.

An enormous THANK YOU to Amanda Arentz for giving up her time to visit to our Vacation Care children in the July school holidays in her role as a paramedic to help everyone learn about our real life local superheroes.

This term our staff are going to be working hard to establish a special sensory and calming corner for the children's relaxation at our centre as well as a focus on creating a large multicultural artwork display with amazing postage stamp donations given to us by the community.

A new music group will be offered at OOSH this term focusing on teaching the children our "Harmony In Kariong" song to help them develop their sense of pride in living in such a great community together as well as start preparing for an end of year Christmas event.

Feel free to drop in to our centre and have a look at the many activities we can offer your child.

We've had quite a few wash outs around the Central Coast this season, so we ask all teams to keep an eye on the Central Coast Football website for re-scheduled dates and venues. A date has been set for our Junior Presentation Day – mark **Saturday 17<sup>th</sup> September** in your calendar and keep an eye on our website for more details as they are announced.

Our senior players are encouraged to mark **Friday 14<sup>th</sup> October 2016** in their diary for our Senior Presentation Night. This is to be held at The Entertainment Grounds in Gosford – a proud sponsor of the Kariong United Cougars this year!

The club would also like to thank everyone who attended and donated prizes to our Cougars Care Trivia Night on the 23<sup>rd</sup> July at The Hill – All money raised from the evening will go direct to families in Kariong who are in need. ## Kariong Progress Association

### **CLOSURE OF KARIONG TENNIS COURTS**

As discussed in last months column we received an ultimatum from Council to sign a new lease Agreement by 16 June. It is (amongst other unacceptable matters) a demand for half the income from the tennis courts, which would mean an increased fee structure.

On 14 June, the Council gave the Association a further 14 days to sign the new lease Agreement. Then on 1 July a final extension of 14 days to sign a new and slightly modified, but still unacceptable document, which the Association still felt unable to agree to. Legal advice has confirmed the Association's view that the Agreement was not in a form that could be accepted.

The Association has advised Council of that decision, via the Solicitor, and as the deadline has now passed the Kariong Progress Association is no longer responsible for the tennis courts. It is most probable that the Council will call for "Expressions of Interest" for anyone else interested in taking over the Courts.

The Association had previously written to the Council Administrator expressing its concern about the proposed Agreement, but no reply was received by the deadline date.

### **LANGFORD DRIVE / WOY WOY ROAD INTERSECTION**

Lucy Wicks, local Member for Robertson has had \$675 thousand pledged, and has advised the Association that she has had confirmed to her, by the Central Coast Council Administrator, that he has allocated the balance of funds to have work commence on the intersection, at a date to be advised.

The Association had obtained a copy of the proposed work, and it was discussed at the July meeting. We did ask in the previous 'Connection' if anyone would like to join us at the July meeting to discuss this, and the Tennis Courts matter, but other than the usual attendees, no one appeared.

## WHAT'S ON ...AT KARIONG LIBRARY

The Kariong Library is open 9.30am to 5pm Tuesday to Friday (closed between 1pm – 2pm) and Saturday 9.30am until 2.30 pm (closed for 1/2 an hour at 12 noon.)  
Tele: 4325 8155

**Storytime Tuesdays at 10.30 am** The purpose of Storytime is to encourage a love of reading. This great programme to foster development of new skills is for children 3- 5 years.

Thanks to Gosford City Library for the free poppers and popcorn at our school holiday movie night and to Liana, a member of Gosford Council's library staff, for her enthusiastic running of the event and making it such a fun evening for all.

Join the **Kariong Library Book Club** and discuss a wide range of books. The group meets on the last Friday of the month at 10am. Morning Tea is provided.

On **Friday 26th August** the books for review are **Elegance of the Hedgehog** and **Everything is Illuminated**. (Both books have been adapted to film).

Muriel Barbery attained fame with her second novel **Elegance of the Hedgehog**. This tender, funny book topped the French best-seller lists for 30 weeks and has been a bestseller in many other countries. The novel concerns the inhabitants of a small upper-class Paris apartment block.

Our second book for review is **Everything Is Illuminated**. It is the **first novel** by American writer [Jonathan Safran Foer](#). The novel tells of a journey to Ukraine by a young American Jewish boy (Jonathan) and Alex who lives in the Ukraine. Both boys learn more of their own history than they expected to.

Our guests for the August Book Club are local historians and authors **John Lewis and Pamela Williams** who have recently launched their new reference book: *Mann Street in the Age of Steam 1881-1960*. This important work details the history of individual blocks of land in Gosford. Come along and hear what they have to tell.

## Standpipe

G' Day all.

I'm back with some more news from the fire shed at Kariong Rural Fire Brigade.

Well, first cab-off-the-rank is the weather and as previously mentioned, it's getting rather chilly so as another reminder, keep safe with all your heating appliances and supervise your kids around them.

Another item of interest will be the "Get Ready Weekend" set for the 10<sup>th</sup> & 11<sup>th</sup> of September this year. What this event is all about is for local brigades to start their preparation for the forthcoming fire season or Bushfire Danger Period starting on October 1<sup>st</sup>. This is also an opportunity for the locals to come up to the station and ask all those questions about bushfire safety & survival.

Folks, we here in Kariong sit next to some of the most idyllic and picturesque bushland that you'll ever see however, that comes at a price. That price is being aware of our responsibilities in the bush and keeping up to date on your bushfire survival plans, escape strategies and so on. It'll also give you a chance to have a look around the station and to check out the gear and appliances. Keep an ear out for more exact times as we get closer and set aside an hour or so to make the trip up to see us because it will be worthwhile.

As you all know, Kariong RFB is a community organisation made up of locals who want to give back to the community. That in itself is an admirable commitment however it's even more notable when local businesses support the brigade and I'm not talking about financial support either. Just recently, The Times Café here in Kariong went above and beyond by helping the brigade with a substantial donation of bottled drinking water. During a bushfire campaign that could last up to a week or more, fire fighters will consume many bottles of water so it's heartening to see local businesses supporting the local Rural Fire Brigade. If you are a business and would like to contribute in your own unique way, then give the District Office a call on 43402911 or simply pop up to the station in Dandaloo Street any Saturday morning or Wednesday night.

That's it for now folks. Remember, stay safe and rugged up and above all, Be Firewise.

## A Safe Home for Life Family and Community Services and the Broader Community

Every child deserves a permanent and stable home for life, but here on the Central Coast, many children and young people are living in unsafe households. In order to reduce the number of kids at risk FACS identified that a collaborative response from a range of agencies was required.

One response is the establishment of the Central Coast Multi Agency Response Centre (CC MARC), a collaborative approach to managing child protection reports. By calling the state-wide Child Protection Helpline on 132 111 and selecting option 4, calls for the Central Coast are diverted to CC MARC where local caseworkers from FACS, Health, Education and the Family Referral Service can assess a matter quickly and effectively to provide the most appropriate response. This will help ensure the right kids get the right support at the right time, reducing the number of children slipping through the cracks.

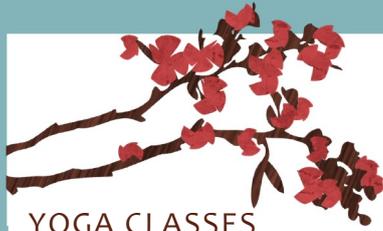

Another response is the establishment of a new mobile service called 'The BUS'.

The BUS - **T**ogether **H**elping **E**veryone **B**etter **U**talise **S**ervices, is an innovative and exciting outreach youth centre - on wheels! Operated by Regional Youth Support Services, it will reach out to communities that don't easily connect with agencies or services due to geographical barriers and other risk factors.

The BUS will focus on isolated and under-resourced areas, connecting families, children and young people to information and advocacy, creative workshops, training and entertainment. The BUS will be operational in 2017.

If you would like more information on any of these initiatives contact Jo Hamilton at FACS on Ph 4352 6553.
