## Local Kariong Artist, Garry Purchase, Wins 1st Prize (Tony Donovan) Award at the 2014 Reconciliation Exhibition at the Gosford Regional Art Gallery

This painting is about the unity of Indigenous and non-indigenous Australia.

There has been a lot of pain and suffering inflicted on Aboriginal people since the British occupation of our nation.

To many, the Union Jack is seen as a symbol of this. People have asked why I'd use it and that I shouldn't have it on here. But what would leaving it off achieve? Why is it there?

It's there because it needs to be. It's not something that should ever be swept under the rug and forgotten. I've used it to confront the past and acknowledge a very dark chapter in Aboriginal history, but also so we can all move forward as one.

## KARIONG PROGRESS ASSOCIATION

The past month has been a very active period for the Association with presentations to Gosford City Council on several matters including the proposed Development Control Plan application by the CCRDC for Mt Penang Parklands.

Our submission, with others, is now being considered by Council and we take this opportunity to thank those groups who prepared and sent submissions. This matter is most important to our community as the current direction by the State Government Department is to sell the greater part of the parklands to developers.

Whilst on State Government matters we continue to support the Intersection Action Committee for development of a safe pedestrian crossing at Woy Woy Rd and Langford Drive. Unfortunately, though we have federal funding of \$67500, the only design by Gosford City Council is for a roundabout which does not address pedestrian safety – the core of all community submissions!

Unfortunately we have not been able to acquire financial support from our State Member Mr Chris Holstein. We have invited Mr Holstein to a forthcoming forum to allow you the community to present your direct concerns. Further details will be available in the next publication.

On the good news – we have received from Department of Sport and Recreation a grant towards refurbishment of our Tennis Court #1 which together with works planned by KPA will complete all areas on this important community facility.

Finally a reminder that our next meeting is **Wednesday 4<sup>th</sup> June in the Kariong Progress Hall at 8:00 pm and everyone is welcome.**

*Bookings are still available for the Progress Hall  
( subject to conditions)  
and for tennis court #1 by phoning 4340 1068  
after 8.30am and before 6.30pm.*

## **MEDIA RELEASE** **NAISDA – *Mud Map***

In acknowledgement of NAIDOC week and the contributions that Indigenous Australians make to our country and society, the 2014 NAISDA mid year show is called ***Mud Map*** and celebrates NAISDA Developing Artists' (DAs') homes and where they come from while commemorating NAISDA's nearly 40 year existence.

*Mud Map*, directed by Aku Kadogo, looks closely at the many ways that NAISDA is unique and one of them is that our Developing Artists come from all over Australia bringing their experiences and knowledge from different parts of Australia with them. The choreographers are all responding to this theme with works that feature a hip-opera, created by our DAs, featuring original songs, hip-hop verses and choreography. The mid year show is traditionally a time

for the DAs to show their emerging choreographic skills and this year will be no different. Other additional works by NAISDA faculty members and senior DAs will be featured along with a special glimpse into the work they have been creating with visiting artist, Iquail Shaheed, a Master Lester Horton dance teacher from New York.

### **SOLD OUT 11:00am MATINEE PERFORMANCES**

Seats are still **available** for performances on **Wednesday 25 June at 6.30pm, Thursday 26 June at 6.30pm and Friday 27 June at 6:30pm.** Each performance runs for approximately one hour. Gold coin donations will be accepted for entry.

All performances will be located at NAISDA Dance College, Building 32, Mt Penang Parklands, Kariong. NAISDA Dance College merchandise will also be on sale at the mid year show.

**Bookings are essential, please call

The 2014 season has already been a huge success and its great to see The Hill well supported each weekend. With Karan back in control at the sign in desk maintaining the smooth flow of teams and referees across the venue, please give her a nod and a "thank you" when you next see her. The Hill does not function without her devotion to the Club and the game.

Team photos are coming soon. Grandparents be warned! You are about to be inundated with a fresh batch of soccer photos from your little darlings. We hope you enjoy seeing the kids in their club colours as much as they enjoy playing in them.

Do you know about the team results pages on your Club Website? Just visit [www.kariongunitied.com.au](http://www.kariongunitied.com.au) and in the top left corner click "Match Results" and you'll see how each team's season in an easy to read format. You'll also see some little gems like this from the u5s5 - *Awesome win today from our side against Terrigal. Despite the early morning 8am game the team was on FIRE !!. Really working hard to defend the ball well and all that dribbling work with the ball at training was noted during todays game. Great effort little 5 5's.*

**TRAFFIC WARNING** - Residents, please take care on weekends around Mitchell Drive and Curringa Road. These are the two major access points for Kariong Oval and "watch out kids about". Let's keep our kid safe. Special mention here for our annual **Gala Day on June 29** - this is going to be a traffic challenge as we host hundreds of players and their families. Thank you for your understanding on the day.

Your committee welcomes all members of the Kariong community to The Hill home ground each weekend for some great on field action coupled with great food at our fully stocked canteen and BBQ.

George Brand Real Estate Kariong continues to be the major sponsor to your Club. Foodworks provide assistance with our grocery purchases to bring you the best BBQ each weekend at The Hill. Our culinary mates at Kariong Pizza and Pasta have returned to assist your club with Pizza vouchers awarded each round. And Kids Klub (childcare) also returns in 2014. Please keep these valuable sponsors in mind when making your purchasing decisions.

## Kariong Community Baptist Church

Pastor Jeff O'Derry is the new Pastor at Kariong Community Baptist Church (KCBC), having moved down with his family from Rockhampton, Queensland at the end of March to take up the position.

Prior to coming to Kariong, Pastor O'Derry served as a missionary in Madagascar before returning to Australia where he has served as a pastor and conducted Global Missions Support, a ministry which involved providing practical support and ministry training to pastors throughout South East Asia and the Pacific regions.

Pastor O'Derry is excited to join the Kariong Community, and looks forward to getting to know the people who are a part of it.

If you've tried church before and didn't like it, if you think church is all about ceremonies and rituals, if you're wondering if God has a plan for you, if you are looking for a church to call home ... we would love for you to come and check us out, and discover the difference at KCBC. We are a church who aspire to be relevant to and loving of its community.

We would love you to join us for our weekly worship service. We meet every Sunday morning at 9.30am in the Kariong Public School Hall, Truscott Avenue (can also enter through the Langford Drive entrance).

It is Pastor O'Derry's belief that a relationship with God is essential to living a full and abundant life. In fact, when Jesus was asked, in the New Testament, which is the greatest commandment, he replied:

*"You shall love the Lord your God with all your heart, with all your soul, and with all your mind. This is the first and great commandment. And the second is like it: You shall love your neighbour as yourself. On these two commandments hang all the Law and the Prophets."*

The people who make up KCBC come from all walks of life and backgrounds, and are of all different ages. We are young families, empty-nesters, seniors, teens, young adults and singles. During the service we run a separate kids program, at an age appropriate level.

If you would like to know more about KCBC, or about Christianity in general, please don't hesitate to contact Pastor O'Derry on 4340 5864 or 0448 814 511.

A recent study of VET education in schools has shown that it is having a positive effect on the employability skills of students. Even students who have university in their sights can study one of these courses as an alternative learning experience to add to their overall curriculum pattern. At Kariong Mountains High School we understand the importance of diversity in curriculum choice. Hence, in our just published HSC 2016 Subject Selection Booklet we have offered students the choice of 4 VET curriculum frameworks to study at school, as well as access to the wide range of TVET courses that students study at TAFE as part of their overall Stage 6 pattern of study.

In addition, Stage 6 students are offered a choice of 35 subjects across the whole range of key learning areas. Subject offerings at Kariong Mountains High School are determined by student choice, not school preferences, so each cohort will have a slightly different pattern of study to reflect their identity. Students are supported in their learning through mentor and study skills programs.

Please contact us on 43400246 or by email (kariongmtn-h.school@det.nsw.edu.au) if you are interested in finding out more about our Years 11-12 options.

Hello from the Desk of the

## **Standpipe**

The Brigade has had a relative quiet four weeks. From April 16 to May 21

we have had 34 Calls. Unfortunately 12 of those were Motor Vehicle Accidents (MVAs). The other Calls consisted of : 4 Fires and Explosions, Hazardous Conditions x 3, Good Intent x 10, False Alarms and False calls x 3 and 2 x Other Situations.

I know I have written several times regarding safety on our roads - driving to the conditions of the time of day, the weather and the condition of the roads themselves. However I feel the need to express my amazement at the way all drivers that travel the Central Coast roads, are not obeying the rules and causing near misses, accidents and even serious injuries! I have yet to travel up and down 'Kariong Hill' where all vehicles on the road are doing the speed limits. The road rage appears to be increasing – if running late for an appointment ... being late a few minutes is far better than having an accident. Please take care on the roads.

Over the coming months there could be some Hazard Reductions taking place. Burn Plans have been completed for a few areas. We will keep you up to date if any are scheduled for around Kariong.

Our Annual General Meeting is in July. At this meeting we elect qualified Members for both Operational and Administrative Positions. Good luck to all the Members that are standing for Positions.

If you are interested in finding out about becoming a Member of the Kariong Brigade, please come along to the Station either on a Wednesday night from 1930 or a Saturday morning from 0800. Have a friendly chat with the Crew, see what goes on and take it from there! ## ROTARY AND COMMUNITY VOLUNTEERS DOING TIME

Rotarians and their Clubs worldwide annually seek out volunteers and leaders who "do time" in their communities.

Kariong/Somersby Rotary Club recently gave Community Service Awards to four outstanding people because of their unselfish contributions to our society in diverse fields of youth development, performing arts and marine rescue services.

Merv Collins, Ros English, Graeme Davies (District 9685 Governor), Susan Wakefield; Cynthia Murphy and Jess Hind

MERV COLLINS is an executive of the Hawkesbury unit of NSW Marine Rescue and leads fellow volunteers "from the front" by willingly working in fundraising, equipment procurement and maintenance, answering call-outs in all weather, times of day, and emergencies alongside his volunteer colleagues.

ROS ENGLISH has been involved with Gosford Musical Society (GMS) for over twenty years as a rehearsal pianist, keyboardist in orchestras and Musical Director for many productions such as "Me and My Girl", "Cabaret", "Shout", "Oliver", "Cats" and "Jekyll and Hyde". As well as attending Sydney Conservatorium, establishing her own teaching studio on the Central Coast, teaching at Central Coast Grammar School and Central Coast Conservatorium, Ros was President on GMS Committee for nine years. Ros is a Life Member of GMS and her contributions to her communities are ongoing.

CYNTHIA MURPHY is described by her peers as a community gem. Her time and efforts are focussed on Central Coast youth, mainly in the Girl Guide and Scout Associations. Cynthia is known as "Brown Owl". Her time in volunteering over the past 30 years has been immense and the Central Coast Guide and Gang Shows have benefited each year from her efforts.

JESS HIND is a very young lady with a passion for Performing and Musical Theatre. She has appeared in several GMS productions such as "High School Musical", "Cats", "The Producers" and "Chorus Line".

Jess owns a dance studio "Turning Points Studio" and as a singer/songwriter teaches private singing. The Rotary Club enlisted her singing talents to lead the Australian National Anthem at the conclusion of the Community Service Awards presentations.

Jess was The Director of "Seussical the Musical" recently and is an outstanding local talent who gives much back to her community in all that she does and attributes much of her success to her supportive family and fellow

## NSW POLICE FORCE BRISBANE WATER LAC

**Unfortunately, there will always be thieves on the lookout for properties to rob. But there are simple measures you can take to greatly reduce the likelihood your property will be targeted. This fact sheet has advice on how to protect your personal property from burglary.**

### PROFILE OF A THIEF

Most thieves enter through a door or window at the side or rear of the house. They are usually after jewellery, cash or other portable items that can be easily sold eg. televisions, video recorders and personal computers.

Good home security involves more than fitting deadlocks or an alarm. You must ensure you use them every time you leave your home. All too frequently thieves enter homes through unlocked or open doors and windows.

### HOW TO MAKE YOUR HOME MORE SECURE

The following simple steps will help safe guard your home.

#### KEYS

- Never leave spare keys outside your home. Thieves know all the usual hiding places, especially under mats or pot plants.
- Don't have personal details such as your name, address and telephone number on your keys.
- Give a duplicate set of keys to a trusted friend, relative or neighbour.
- If you lose your keys or move into a new home, make sure you change all your locks.

#### DOORS

- Install quality deadlock devices on all external doors.
- Check your doors are correctly fitted and working properly. Check door frames are secure and sound.
- Security grilles can be a useful barrier to outsiders. They should only be used, however, as a last resort in high risk situations/locations.
- Don't leave notes on the door stating that you are away or when you'll return.
- Keep the front door locked when you are at the back of the house or in the garden.
- Install a peephole in your front door and always check the identification of strangers before opening the door.
- Secure garage doors with deadlocks or strong padlocks. Always lock the garage door.

#### YARDS

- Thieves like their privacy too, so ensure you keep trees and shrubs trimmed, especially trees close to your home that could be used to climb to gain access to your property, or to hide thieves' activities.
- Owning a pet may deter would-be thieves from targeting your home.
- Ensure gates are secured, as thieves often target the rear and sides of homes.
- Always lock away tools, ladders and gardening equipment. These items can be used by thieves to enter your home.
- Infra red (or movement activated) security lights covering front and rear access to your home may help deter thieves.
- If your street lights are not working, contact your local council.

#### WINDOWS

- Install key operated locks on all windows. Have your window locks keyed alike so you only need one key to open or lock all your windows.
- Use laminated glass or shatter resistant window film to help prevent entry.

### ALARMS

- Visible alarm equipment can be very effective deterrent to thieves.
- Your alarm system should cover all external entry doors and windows.

### STRANGE PHONE CALLS

- Don't give personal information to a caller you don't know.
- Don't let the caller know that you are home alone.
- Program your phone with emergency numbers such as 000 and your local police station. Also program the Police Assistance Line – 131 444 for all non-emergencies.

### GOOD NEIGHBOURS – YOUR BEST WATCH DOG

Good neighbours are one of the best security devices you can have. Get to know your neighbours, stay in touch and together keep an eye out for any suspicious behaviour. It's a good idea to exchange work and holiday telephone numbers. Report any unusual noises or suspicious behaviour to your local police. Your quick action may prevent a burglary.

### KEEP ACCURATE RECORDS

- Thieves don't like stealing property that is clearly identified. Marked property is very hard to dispose of and recent legislation regarding their operation for pawnbrokers has made it even more difficult. Accurate records of all your property will not only deter thieves but will give the police a better chance of locating your property.
- Engrave your electrical equipment and other property (including your CDs) with your driver's license number and prefixed by NSW.
- Keep photographic records of all your property that can't be engraved, especially jewellery and works of art.
- Obtain valuation certificates with detailed descriptions of all items. Store the certificates in a safe place.

### IF YOU ARE ROBBED

If you arrive home and suspect that you've been robbed, call the Police Assistance Line on 131 444 or your local police immediately. If you are alone, ask a neighbour to come in with you or wait until the police arrive. If you suspect the thieves may still be inside, don't enter the premises.

While you are waiting for the police to arrive compile a list of what you think is missing. Include brand names, model numbers, serial numbers, accurate descriptions and any engraving details in your list. Remember not to touch anything. It is important the police see your home exactly as the thief left it. What you think is a mess could be valuable evidence.

### LIKELIHOOD OF THIEF RETURNING

Thieves often like to return to a house they have robbed because they know how to get in and they are familiar with the layout of the house. They also know that items they took last time will have been replaced, or they may tell another thief the best way to break in to your property. Upgrading your security may prevent a repeat break-in.

### BUYING STOLEN GOODS

Buying stolen goods is not a bargain, it's a crime. If you are offered something that you suspect has been stolen, notify the police.
